All Clubs – Manage Your Rollover Option: Our billing system makes it easy to manage your membership, so you don't get charged for any unpaid members. Log into Golf Nations, select Roster, view Rollover Column (far right). Select Rollover ON or OFF for each member.

Rollover "ON" - Member will be rolled over to the next year and **billed to the club**.

Rollover "OFF" - Member will be **automatically inactivated** on their subscription end date if:

OJR Clubs – Individual members haven't renewed online.

Clubs that pay – Club has not prepaid.

***Calendar Year Clubs – Rollover Status is processed on 12/30** (make any changes by 12/29)

On the morning of 12/31 members will either be inactivated or billed to the club.

Club Member Refund Policy

AZ GOLF's Billing Management System makes it easy for clubs to manage their membership, so they don't get charged for any unpaid members.

Every year AZ GOLF has issues with clubs that forget to clean up their rosters. What clubs fail to realize is that we incur hard costs for those members in the first few weeks of the year.

You can prepare for your members subscription end date by managing their Rollover status in Golf Nations.

Log into Golf Nations, select Roster, view Rollover Column (far right).

Select Rollover ON or OFF for each member.

Rollover "ON" - Member will be rolled over to the next year and **billed to the club.**

Rollover "OFF" - Member will be **automatically inactivated** on their subscription end date if:

OJR Clubs – Individual members haven't renewed online.

Clubs that pay – Club has not prepaid.

***Calendar Year Clubs – Rollover Status is processed on 12/30** (make any changes by 12/29)

On the morning of 12/31 members will either be inactivated or billed to the club.

The following refund policy is automatically applied as follows:

- If a member is deactivated between the first and second invoice, the club will receive a full refund. (i.e. January 1 – January 31)
- If a member is deactivated between the second and third invoice, the club will receive a 50% refund. (i.e. February 1 – February 28)
- If a member is deactivated any time after the third invoice, there will be **NO** refund.

As AZ GOLF is on a monthly billing cycle, clubs should have ample time to review the invoice for payment. We would recommend that clubs have at least 2 Club Admins with access to the Golf Nations billing system.

Member managed clubs - Indicate which officers should be Club Admins by completing the **Club Officer Roster** form.

Facility managed clubs - Contact Susan Woods at susan@azgolf.org to update Club Admins/Billing Contacts.

The refund policy applies to members added at any time during the year – one billing cycle to inactivate at no charge, then the automatic reduction of 50% in the second billing cycle, then NO refund in subsequent billing cycles.

Discontinuance of Service

***Any club whose account becomes 90 days past due may have their service interrupted for non-payment of fees without any further notice.
All invoices are due within 30 days.***
