

Arizona National Women's Golf Association

2 CLUB

The 2 Club is a countrywide recognition with varying rules among leagues. For our league, we automatically enroll all members in the 2 Club.

Any player who scores a two will receive \$1.00 from other "2 Club" members in your foursome.

To receive the money the member must have, in their possession, the official "2 Club" pin during that round of golf.

This pin makes you eligible any time you play golf with other "2 Club" members in the country, depending on local rules.
