Detailed description of games listed above can be found on our website [AZNWGA.com](http://AZNWGA.com) under the Game Days tab, Golf Games

Game of the Day Host/Scorer(s) will obtain participating player handicap from our website (or locker room bulletin board) and use to calculate for games. On game day, scorer(s) will collect cards after playing and calculate winners. Ties are broken according to USGA rules, a match of cards on hardest hole (#11). Penny Moreno will report the winners to General Manager/Golf Pro so the monetary winnings can be added on the winners' gift card. Penny Moreno will inform the winners in a separate email. Sue Crickmore will announce the winners in the following week's tee time email.
