

As an Arizona National WGA Member, you are invited to play this season's first Eclectic Competition at the very low cost of **\$5.00!** The Eclectic is an event that seeks to find your lowest ever score on each hole and adds them up to become your Eclectic Total.

To Participate:

Pull a white envelope from the back of the black folder in the locker room, enclose \$5 (I prefer cash), ***put your name and date paid on the envelope***, seal it, and put it in the metal box on the locker room wall. ***Do not put your money in the black folder, only in our wall lock box.***

Pull a blank scoresheet from the back of the black folder, put your name on it, and file it under the appropriate alphabetical tab.

To Play:

You must play before or on the date of your first round.

You must play with another WGA member who will initial the last column of your scoresheet to verify your entries. (If your witness is unable to initial the scoresheet, please print their name in the witness column). I do not want scorecards.

Record the date of play on the scoresheet and all eighteen individual hole scores (hole by hole) on the first line of the scoresheet.

For all of the rest of your rounds, enter only the hole by hole scores that are better than the ones you've already written down (sample attached).

If I see you are running out of space I will add a page #2 for you.

I will total your scoresheet after the conclusion of the event. There will be prizes for both low gross and low net, front, back and total. Handicaps in effect February 16 will be used to calculate net winners.

Note: any hole completed under the normal rules of golf may be posted for the eclectic even if other holes are picked up or skipped.

Let's have Fun! If you have any questions please email me at kathie_bannister@msn.com
