### Reminder: AZGolf Mobile App Announcement

The AZGOLF Mobile App will be officially retired on March 31, 2023.

You may continue to use the AZGOLF Mobile App (pictured above) until March 31, 2023, but we recommend that you transition to the USGA GHIN App (pictured on the right) so that you can begin to benefit from its valuable tools and features.

The USGA GHIN App is available now in the Apple App Store and the Google Play Store.

The USGA GHIN App is filled with helpful tools and the latest technology.

As a friendly reminder, the Arizona Golf Association **discontinued the use of the AZGOLF mobile app** on March 31. In its place, we are recommending the USGA GHIN App, which can be found in the [Apple App Store](#) or in the [Google Play Store](#). In addition to score posting, handicap lookups, and stat tracking, the GHIN app offers course maps & GPS, as well as a group scoring and games feature.

## Rules Trivia

Test your Rules of Golf knowledge with this trivia question:

**What is the Penalty, if any?**

Player A's ball is in the general area very close to the red line defining a red penalty area.

Player A's stance is on a sprinkler head in the red penalty area.

Player A determines the nearest point of complete relief, in the general area, from the interference with Player A's stance and drops a ball in the one club-length relief area, not nearer to the hole than the reference point. The ball comes to rest in the relief area.

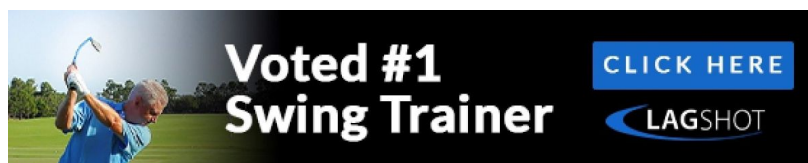

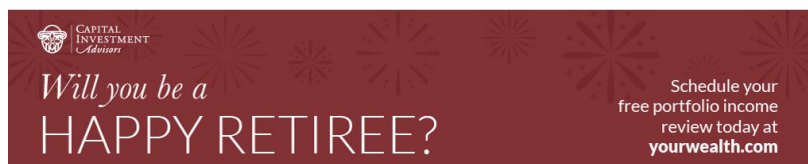

Does Player A receive a Penalty?

A: One-Stroke Penalty

B: Two-Stroke Penalty

C: No Penalty

**The answer can be found at the end of this newsletter!**

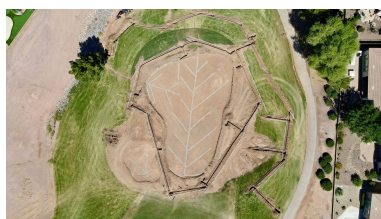

Are you looking to get more distance off the tee and from the fairway with your irons? **Check out this video** to learn why fast hips might just be causing several problems in your golf swing. GOLFTEC will show you a better drill to practice in order to create a more powerful and faster golf swing.

**C: No Penalty**

**Since Player A's ball was in the general area, Player A was entitled to relief from an immovable obstruction (the sprinkler head) that was on the course.**
