Golfer Experience Survey

As part of the USGA/AGA Joint Strategy work on Golfer Experience, GHIN golfers in every state will be surveyed to share their experiences and what they enjoy most about golf. This information is extremely important and will inform Member benefits, products, and services to enhance the golfer experience and ensure we are focusing on **developing the game for everyone**.

The survey is being conducted by an independent research agency, Sporting Insights. All responses will be anonymous, and no contact information will be shared. The survey was emailed to members starting on May 3. Please take a few minutes to **share your thoughts** and help the AGA continue to provide the best member experience.

A popular golf takeaway drill for your backswing could be causing more harm than good to your golf swing. We see far too many amateur golfers do this takeaway drill with just their arms and hands and it leads to a poor path and loss of distance. **Check out the video** for a quick tip to help the alignment in your swing!

A: One-Stroke Penalty

The acorn is a loose impediment and not a ball-marker. See the Definitions of "Loose Impediment" and "Ball-Marker".

Player B must play the ball as it lies. See Rule 11.1a.
