PRIOR MEETING MINUTES: Sandy Eeds moved to approve minutes from last meeting. Denise Orthen seconded. Motion passed.

SPECIAL GUEST: Dir. Of Golf Course Maintenance, Scott Anderson, was ill and could not attend.

RULES: Terry Gaube announced that revised scorecard management procedures were on the website. She encouraged everybody to read the explanation of Golf Genius. Captain's duties are also posted on the website. The player's name at the top of the Score Card is designated Captain. Her job is to ensure that the hole by hole score count is correct. If there are disputes, those holes should be circled and brought to the attention of the Pro Shop. If two or more players contest someone's score, it won't be certified until decided by Rules Chair.

CLGA WEBSITE. Zara reminded us there is good information on the website and encouraged us to refer to it often.

LUNCHEONS: If you need to cancel before a luncheon, call the Treasurer (Paddy Newton or Pat McRoberts) and Pro Shop before noon on Wednesday. Treasurer will notify event chair of changes.

GOLF GENIUS (GG). Nancy Hermanson discussed with the pro shop their need to notify us before initiating new procedures such as GG. Jon Griglak will try to remember to do so. If you receive an email from Jon regarding signing up for CLGA, sign up that way. If there is no GG code on scorecard, you will not use GG for scoring that day. For example, GG was not used for match play. Match play scores will not be posted, according to the pro shop. Refer to the website for GG tutorial.

PARTNERS TOURNAMENT: Rachel Rainville said the dates for this tournament are February 1 and 8. Luncheon will follow play on Feb. 8 Sign up on website. A list will be posted in the pro shop bathroom for those needing a partner... if you do not have a partner, we will get you one. January 25 is the cutoff for luncheon checks. No exceptions. Explanation of play in the partners tournament is posted on the website. Golf genius will be used. If you cannot play in the partners tournament but want to play one of the days, sign up on Chelsea and then call the Pro Shop before Wednesday NOON to say you will not be playing in partners event. Only 10 stroke differences will be allowed ... a larger gap between partners will forfeit strokes.

BYLAWS AND STANDING RULES: Changes to Bylaws and Standing Rules (approved by Board) are posted on the website and on the bulletin board outside the Pro Shop. You'll be getting a notice to vote on the website for changes to Bylaws.

BUDGET: Paddy Newton handed out budget documents. It is posted on the website. Zelle and Venmo are being looked into as methods of payment, but first CLGA needs to decide which bank we'll use. Kathy Sulser moved to approve the budget. Barb Smith seconded. Motion passed.

CLGA/CMGA COMBINED EVENT: The CW men's league proposes an event with CLGA on Saturday, March 16, morning shotgun. They propose a 2 person match, play men VS women. Cost for snacks and drinks would be \$15; if hamburgers, cost will be \$25. Show of hands showed general approval for the event. We discussed various games to play because Match Play is not typically popular with our members. Different games will be discussed with CMGA. Kathy Sulser urged us to agree with their choice because we want to encourage inter-league camaraderie.

CLGA LOGO: Some members proposed to prepare a logo for our league. That would be printed on hats, visors, t-shirts, etc. CLGA has met with Pro Shop and they have options. A show of hands showed approval to develop a logo. The committee will present a logo for presentation to the Board: Kathy Sulser, Mo England, and Nancy Mastalski.
