

FRIDAY MAY 3 RECAP

Congratulations to John Blumenshine on his round on Friday, May 3. He did what everyone of us do when playing and that is score 71 strokes. The issue with the rest of us is that we haven't finished playing all 18 holes. What's even more remarkable if that John and Rita flew to Chicago earlier in the week to celebrate the installation of their son-in-law Matt DiPilato, also a DLMGC member, as the youngest President of the Chicago Trucking Club for 2024-2025.
