

You may have heard Gary Player make the following statement:

*“Golf is a puzzle without an answer. I’ve played the game for 50 years and I still haven’t the slightest idea of how to play.”*

We’d like to welcome you to the Del Lago Men’s Golf Club and our website. It is our desire to provide you with a great deal of useful information and answer any questions that you might have. That goes from What is the Del Lago men’s Golf Club to What does being a member entail and what are the benefits of membership?

The annual DLMGC Championships are held each spring over a weekend. The Championships are usually held the weekend before Palm Sunday and for 2024 they will be held on March 29 and March 30. To qualify to play in the Championships a member must play in at least eight events from October through mid-March.

Our weekly events are held on Fridays and Sundays, with the Big Skins game on Fridays and a Director's choice on Sundays.

Please look around the site to see our history, who are the officers of the Club, how to join our merry band, which members have had a Hole-In-One in the past 12 months, how to use Golf Genius and local resources to improve your golf game. Our events are designed for the members to have fun, socialize with other members and compete against one another or against other clubs from around Tucson and the State. If you’re interested in knowing more, please contact the [Del Lago Golf Club](#), email the [Board](#) or [Join Us!](#)
