- 13.1.1 The Pro-Shop representative on the first tee box will mark one scorecard with the foursome's departing time.
- 13.1.2 A time clock will be placed in a designated area between the ninth green and the tenth tee. At the completion of the front nine holes and the completion of the back nine holes, each group is required to "punch in" their time on the designated scorecard.

13.1.3 The "Clock" should be punched after the last player in the group has holed out and the flag has been replaced.

13.1.4 The Pro Shop will monitor the card stamping procedure to ensure compliance with this policy.

13.2 Players Responsibility:

13.2.1 All disputes must be brought to the attention of the Tournament Committee in accordance with Article 11.

13.2.2 Players are expected to play "ready golf". This simply means if your shot is not going to interfere by sight, sound, or safety of another player, proceed to hit.

13.2.3 It is the responsibility of all members of each foursome to monitor their time.

13.2.4 If a player(s) within a foursome is exceedingly slow, the other foursome members must encourage faster play to avoid a foursome penalty.

13.2.5 All foursome members bear responsibility for the scorecard being punched properly.

13.3 Time Penalties:

13.3.1 Standard Time = 4 Hours 12 Minutes

13.3.2 The starting time for the round shall be written on the groups scorecard(s) at the beginning of the round by the starter and the scorecard shall be stamped by the group after the completion of the Front Nine (#9) and the Back Nine (#18).

13.3.3 No penalties will be assessed if the round is completed within 4 hours and 12 minutes indicated by a clock punch of 4 hours and 12 minutes or less. Should the group finish the round in 4 hours and 13 minutes or more, as indicated by a clock punch of 4 hours 13 minutes or more, penalties will be assessed to each member of the foursome in the following manner:

13.3.3.1 Finishing 16 or more minutes behind the previous foursome on the front nine = 2 stroke penalty.

13.3.3.2 Finishing 16 or more minutes behind the previous foursome on the back nine = 2 stroke penalty.

13.3.3.3 A clock punch of 15 minutes or less per nine shall incur no penalty and a clock punch of 16 minutes or more per nine shall incur a penalty of 2 strokes for each nine on which it occurs.

13.3.3.4 Punching the scorecard before the last foursome member has putted out and the hole has been completed = 2 stroke penalty for each nine on which it occurs.

13.4.5 A player on Hole #18 has the “right of way” before any player on Hole #10.

Article - 14.0 Tournament Formats:

14.1 DRGA Tournaments are ‘Flighted’ Events.

14.1.1 Flights are comprised of players with like handicaps. With the intent of equal division amongst the playing field, players with the same handicap could end up in different Flights.

14.1.1.1 The determining factor for the split in Flights is the decimal point of the player’s handicap index, with the higher value going into the higher flight.

14.1.1.2 Exceptions to this policy are Major Tournaments where all teams or individuals with like handicaps will play within the same flight.

14.1.2 On the first day of such events, teams or individuals will be grouped in order of increasing handicap within a flight.

14.1.3 On the second day of such events, teams or individuals will be grouped based on the previous days score, with the leaders teeing off last.

14.1.4 Individuals or teams who finished last on the first day may be moved to ensure that the leaders of a flight play

14.2 Individual Gross / Net:

14.2.1 A Player plays his/her own ball through the entire 18 Hole round according to USGA and **DRGA** local rules.

14.2.2 Prizes are awarded for lowest GROSS scores and lowest NET scores within each tournament flight. These types of tournaments are Major qualifying events.

14.3 All Team Events:

14.3.1 Two Person team event with a maximum of eight (8) stroke differential between team members.

14.3.1.1 If the stroke difference exceeds 8 then the player with the higher handicap will have their handicap adjusted down to meet the requirement.

14.3.2 Tournament results will be based on the net score only.

14.3.3 1st Flight maximum combined team handicap is 12 strokes.

14.3.4 Prizes are awarded for lowest NET scores within each tournament flight. A score card playoff will break all ties for 1st Place.

14.4 Person Combined Gross / Net:

14.4.1 Each team player plays their own ball through the entire 18 hole round according to USGA rules and **DRGA** local rules. Their scores are added together for a total team score.

14.4.2 Prizes are awarded for lowest GROSS scores and lowest NET scores within each tournament flight.

14.4.3 These types of tournaments are Major qualifying events.

14.5 Two Person Modified Alternate Shot:

14.5.1 Each player will tee off and then select the best shot. The player who did not hit the selected shot will then hit the next shot; the shots will continue to alternate until the ball is holed. Once the tee shot has been selected that ball will be the ball “in play” throughout the completion of that hole, with no lifting or replacement of ball permitted unless defined under the rules of golf.

14.6 Two-Person Four Play:

14.6.1 Tournament results will be based on the net score only. This event will consist of four separate nine-hole segments spread over two days. Formats will include a Scramble, Modified Alternate Shot, Better Ball and Combined Net (both balls count).

14.6.2 1st Flight maximum combined team handicap is 12 strokes.

14.6.3 Prizes are awarded for lowest NET scores within each tournament flight.

14.7 Better (best) Ball –

14.7.1 A golf competition format consisting of two-person teams where each partner plays his/her own golf ball on each hole. Teams will compete against the field, within their flight, using the better NET score of the two players.

14.7.2 Scoring should include both GROSS scores on the team’s scorecard. A third score will be the shown as the best ball NET score.

14.7.3 Should a player “pick up” and not finish a hole, an “X” will be shown as his/her GROSS score. As long as one team member can post a score, the other player need not finish the hole.

14.7.4 Because there are two (2) players on each team, one player can be penalized without the other player being affected. However, time penalties will affect the team.

14.8 Scramble Events –

14.8.1 Both players tee off and then select the better ball on each shot.

14.8.2 Except for on the green, the selected ball may be marked and replaced by both players within 1 club length from the original marked position, no nearer to the hole.

14.8.3 On the green the scorecard distance does NOT apply, no nearer to the hole.

14.8.4 All putts must be puttied as close to the original chosen position as possible. Additional clarification of the Rules will be provided on the 1st tee.

14.9 Calculation of Handicaps

14.9.1 The calculation of handicaps for a 2-person scramble is as follows:

14.9.2 Utilize the Members Course Handicap based upon Dobson Ranch Blue Tee ratings of:

14.9.2.1 Course Rating – 71.1

14.9.2.2 Course Slope – 123

14.9.2.3 Par – 72

14.9.3 If there is a decimal due to the averaging, Round it to the nearest whole number.

14.9.3.1 An example is: 5.5 handicap = a 6 handicap

14.9.4 Apply the 35% allowance based upon the format of play

14.9.5 If the calculation results in a fractional number, leave the decimal number as part of the handicap.

Example #1:

A 'plus' handicap player is identified with a '+' symbol...a player with an assignment on the 'normal' side of scratch is simply listed with the raw handicap value. This scenario was based upon play at Dobson Ranch, Back Tee set (71.1/123/72) with 35% being used for both players: Team A: Player 1 - (+2.0 Handicap), Player 2 - (+4.0 Handicap) Team Handicap for the round equals: +2.0 plus +4.0 = +6.0 x 65% = +3.9 strokes

Example #2

This scenario was based upon play at Dobson Ranch, Back Tee set (71.1/123/72) with 35% being used for both players: Team A: Player 1 - (12.0 Handicap), Player 2 - (14.0 Handicap) team handicap for the round equals: 12.0 + 14.0 = 26.0 x 35% = 9.1 strokes

14.10 Club Championship –

14.10.1 The format will be a two-day individual gross and net event. The player recording the lowest Gross score for the tournament regardless of flight will determine the “Club Champion”.

14.10.2 The player recording the lowest NET score for the tournament regardless of flight will determine the “President’s Cup” winner.

14.10.3 Prizes are awarded for lowest GROSS scores and lowest NET scores within each tournament flight.

14.10.4 Winners will be determined by an on-course playoff when possible.
