Restaurant: Buy 1/2 of your team (Optional) before you tee off.

SCORECARDS – ENTER GROSS SCORES ONLY

FORMATS

SATURDAY – ROUND ONE - Better (Best) Ball

1. Two-person teams where each partner plays his/her own golf ball on each hole. Teams will compete within their flight, using the better NET score of the two players.
2. Scoring should include both GROSS scores on the team's scorecard. A third score will be the shown as the best ball NET score. Should a player "pick up" and not finish a hole, an "X" will be shown as his/her GROSS score. As long as one team member can post a score, the other player need not finish the hole.
3. Because there are two (2) players on each team, one player can be penalized without the other player being affected. However, **time penalties** will affect the team.
4. **GROSS & NET SKINS (Optional)**

A) **Team Competition** – Any round where both balls are not scored and the team consists of one (1) or two (2) players that have not qualified for a DRGA handicap (six (6) tournament rounds) and are subject to the 5% Rule, that team will be limited to a low net score of 64.

SUNDAY - ROUND TWO - Team Combined Net Score

Each team player plays their own ball through the entire 18 hole round according to USGA rules and DRGA local rules. Their scores are added together for a total team score. Scoring should include both **GROSS SCORES** on the team's scorecard. Official Scorer will calculate **NET SCORES**.

GROSS & NET SKINS (Optional)

A) **Team Competition** – Combined Team Net – When playing in this format (both balls are scored), only the 5% member(s) will be limited to a low net score of 68.

Let's have a fun and an enjoyable weekend with some great golf!

Sean Tonge - Tournament Chairman

Bob Simonis – DRGA President
