FORMATS

SCORECARDS – ENTER GROSS SCORES ONLY

SATURDAY – ROUND ONE - Better (Best) Ball

1. Each partner plays their own ball on each hole. Teams will compete within their flight, using the better NET score of the two players.
2. Scoring should include both players' scores on the team's scorecard. Should a player choose not to finish a hole, an "X" will be shown as their score for that hole. At least one player must finish the hole to stay in contention.
3. Unless instructed otherwise, the time penalty rule is always in effect.

*A) **Team Competition** – Any round where both balls are not scored and the team consists of one (1) or two (2) players that have not qualified for a DRGA handicap (six (6) tournament rounds) and are subject to the 5% Rule, that **team will be limited to a low net score of 64.***

SUNDAY - ROUND TWO - Team Combined Net Score

Each team player plays their own ball through the entire 18 hole round according to USGA rules and DRGA local rules. Their scores are added together for a total team score. The Official Tournament Scorer will calculate the team's net scores.

A) **Team Competition** – Combined Team Net – When playing in this format (both balls are scored), the 5% member(s) will be limited to a low net score of 68.
