

## CHIP-INS ~ BIRDIES ~ HOLE-IN-ONES

Holes-in-one, chip-ins, and birdies should be recorded and attested in the single, 3-ring binder/notebook located on the League table. Please record in the book immediately after your round of golf.

Prize money for chip-ins and birdies is INCLUDED in your dues. During league play, each member in good standing who chips into the cup from off the green, or has a birdie is eligible for a \$1.00 payout per chip-in and/or birdie. Monies are paid at the Year End Mixer/Lunch. During scramble play only chip-ins apply.

The last day to record chip-ins or birdies for payout for this season is April 23 and 30, May 7, 14, 21 and 28 2024 and these will be carried over to the following season.

Hole In  One

\$1 of your dues goes toward hole-in-one payouts. Hole-in-ones accomplished during league will be awarded at the end of the season. If there is no winner, those funds will be carried over to the next season.
