

Each year the KMWGA participates in the Arizona Golf Association's State Medallion Tournament. Four play days during the Season are designated "State Medallion" play days. Each player is included that plays on the designated State Medallion days. You are not required to participate in all four rounds. As with all tournaments, handicaps are capped at 40. Associate Members may play in the four State Medallion play days.

At the end of the four rounds, the player with the two lowest gross scores is awarded the Low Gross Medallion. The player with the two lowest net scores is awarded the Low Net Medallion.

The Low Gross Winner and the Low Net Winner qualify to compete with all other AGA members from across the state in the State Medallion Tournament held in January.

Congratulations to the 2022 – 2023 KMWGA State Medallion Winners
