

TEAM PLAY

Ken McDonald Women's Golf Association (KMWGA) participates in East Valley Team Play (EVTP).

On 8 Mondays during the season (schedule below), KMWGA fields an 8-member team to play four Four-Ball matches against another team in the southeast valley; we host the event at Ken McDonald on the 9th Monday.

In Four-Ball, 2 players from KMWGA partner up and play against 2 players from another league. Each player plays her own ball, then each team takes the lower score of the two partners scores on each hole. Each team either wins, ties or loses each hole (Gross and Net).

EVTP is a great opportunity to play a different style of golf, play different courses (some are private), and meet golfers from different leagues (64 ladies play each Monday).

If you are interested in playing, please contact the Team Captain, or Co-Captain.
