1	Penalty for the obvious slow player should be discussed	5/15/2024 4:46 PM
2	Pace of play horrendous Why can't green committee get easier pin placements secured.	5/14/2024 7:54 AM
3	Food & service was somewhat improved over 2023. Golf organization was better. Overall value still lacking.	5/14/2024 7:24 AM
4	Thought it was the best I have played in.	5/13/2024 2:26 PM
5	The match play format in conjunction with slow play concerns is stressful. It is not possible to switch out timely on 9 hole matches!!! Why match play? Just do 3 days of an 18 hole format. So you won't play everyone in your flight, not essential. An 18 hole format could tee off at 8:00 am and be completed in a timely fashion.	5/10/2024 4:08 PM
6	Afternoon play on Thursday and Friday makes all the sense in the world. Pace of Play wouldn't impact play for others, since there'd be no open play behind us. And Food & Beverage should LOVE it. Rather than the typical BBQ lunches, a simple buffet or even just heavy hors d'oeuvres after play should result in a HUGE bar bill in the RoadRunner Grill. F&B should be able to provide a nice late afternoon spread for a similar cost to the BBQ lunches. Overall club revenue from the bar should be much greater with the afternoon play. Any concern about the lack of pristine green or sand conditions after open play ahead of us in the morning should be insignificant.	5/9/2024 2:53 PM
7	I would prefer to start 8:00 vs 7:30. 7:30 does not allow you time to eat at RR prior to golf.	5/5/2024 12:18 PM
8	Too slow	5/3/2024 10:47 AM
9	Format is trrible	5/3/2024 7:46 AM
10	Start time should be 0800	5/3/2024 6:10 AM
11	Q2 - 10am and 1pm for Thur & Fri TTs (with a quick box lunch to go between p hole matches). I think your question 2 here is worded wrong. Sat. 10am TT with shootout of just flight winners starting at 1pm.	5/2/2024 6:35 PM
12	It was a fun experience!	5/2/2024 5:47 PM
13	Pace of play needs to be a little relaxed because Many of the guests are unfamiliar with our courses (even after a practice round.) I prefer a little prodding to catch up by the ranger. I assume you were asking about starting times on Thursday & Friday. I realize starting at 8 AM might create a potential backup problem for resident afternoon Tee Times but it would afford tournament players time to get something to eat and still have practice time. I still prefer 7:30 versus 12:30	5/2/2024 4:48 PM
14	I think we should change scoring from Mach Play to Stableford to give all teams the ability to compete better. This year, the only teams that 'cashed" in the overall were those that won their matches on Day 1. Also, consider no partner changes after nine holes. This would reduce time on course. Also, consider playing the horserace on Friday after a nine hole round in the morning.	5/2/2024 4:30 PM
15	Great tournament, very well organized.	5/2/2024 4:26 PM
16	2024	5/2/2024 3:40 PM

7	He agrees w/ later starting TTs and skip barbecue lunch after. Saves money and neither of us want a big meal after as we go out to dinner w/ the wives. A sandwich (turkey, ham or veggie), chips, apple, cookie are nutritious and keeps play going and allows for late aftn TTs on Thur & Fri.	5/2/2024 6:35 PM

10	The quality was good but would like the roadrunner logo to be smaller and on the sleeve instead of on the chest. I was told by my partner that he probably wouldn't wear it. Did not get a hat, towl or ball marker. Were we supposed to get those?	5/6/2024 9:58 AM
11	Did not receive hat, towel or ball marker. \$75 certificate was fine. Unless you go all out with very nice swag, just stick with the gift certificate, keeps it simple, less expensive and players can pick up what they want from the pro shop.	5/5/2024 12:18 PM

1	But the same tee for everybody would probably speed up the play somewhat.	5/15/2024 9:54 AM
2	However, feel players in each flight should play from same tees.	5/14/2024 7:24 AM
3	Probably don't need all the tee options. Depending on tournament format, going with only blue, white and red might be interesting if handicapped accordingly. Flights should play the same tees (although that may not be easy considering older members who bring in young sons or grandsons).	5/9/2024 2:53 PM
4	Did not like 9 hole in one par 3s. We have not had a hole in one for at least the last two Roadrunner tourneys. Also the requirement to have at least 150 yard par 3 penalizes the forward tee players and unfairly rewards the players who normally play from those tees. Suggest we do some closest to the pins hole and limit the number of Hole in ones to no more than 1 or 2 per day and only from normal tees. Do not force forward tee players to play from tees which they are not used to.	5/6/2024 4:56 PM
5	All players within flight should be hitting from the same tees. Also once tournaments starts you are not allowed to change your tee selection.	5/5/2024 12:18 PM
6	Fair except for par threes when a blue tee player hits from the yellow That wasn't accounted for in the handicaps Especially Catalina	5/3/2024 10:47 AM
7	The committee needs to assign tees based on handicap. This year was very unfair to some golfers and teams	5/3/2024 9:18 AM
8	Need to play the same tees	5/3/2024 7:46 AM
9	We should have a choice on the par 3's	5/3/2024 6:10 AM
10	Player's with a 0 to9 handy cap should not play Yellow tees, white/yellow.	5/3/2024 6:06 AM
11	For those of us on yellow tees—making everyone hit from the whites was not good	5/2/2024 8:23 PM
12	As mentioned find ways to save on F&B (my lunch suggestion) and use the difference to up the ante and let the member and guest shop personally for what they want.	5/2/2024 6:35 PM
13	Would like everyone playing the same. Adjust hcpcs.	5/2/2024 5:47 PM
14	Much more compatible with all the players in the field.	5/2/2024 4:30 PM
15	the format the first day should have all played from the same tees; even if those who prefer white have to play yellow or combo.	5/2/2024 4:21 PM

1	not really match play but way to speed up play some didn't do it	5/15/2024 4:46 PM
2	I did but I would prefer total scores. For instance, the winners had one great round vs an opponent that had a horrible 9.	5/15/2024 7:41 AM
3	Formats should foster better pace of play but didn't always.	5/14/2024 7:24 AM
4	We don't dislike Match Play, but prefer 18-hole stroke play competition - perhaps with Stableford scoring.	5/9/2024 2:53 PM
5	did not like the scoring system. 2 flights had teams that beat or tied all of their opponents including the teams that won the flights. Need to change the scoring system based on 2 points for a match win 1 point for a match tie and 0 points for a loss. Should the teams tie under this scoring system then they would go to head to head and if that was a tie go to total points won to break tie. Points does not reward consistent play and winning all of your matches.	5/6/2024 4:56 PM
6	Match play and no virtual matches, everyone plays the other teams in their flight	5/5/2024 12:18 PM
7	Great format	5/3/2024 9:18 AM
8	Match play is onle good for high handicap. 18 hole stroke play everyday	5/3/2024 7:46 AM
9	Go back to 5 best ball matches - glad we eliminated the ghost matches in last yr's Thur & Fri. afternoons event.	5/2/2024 6:35 PM
10	I think a quota system works better. Adjustment according to daily play.	5/2/2024 5:47 PM
11	Stroke play Stableford is a much more competitive format for all teams because it gives all teams the ability to recover from a bad first day.	5/2/2024 4:30 PM

6	We didn't play Aggregate. The Best Ball format is a good format as is the Alternate Shot format used in the Shootout.	5/9/2024 2:53 PM
7	The Aggregate format was one best ball not 2 best balls. Like to see a modified Chapman Scotch format replace the Best Ball Format then the 3 drive requirement would still be in effect.	5/6/2024 4:56 PM
8	Do not prefer aggregate format where both ball counts, puts too much pressure on our guests who may not be familiar with our course, prefer better ball of team.	5/5/2024 12:18 PM
9	Alternate shot Would speed up play also	5/3/2024 10:47 AM

13	Best Ball	5/2/2024 4:48 PM
14	First, consider changing to noon or 12:30 shotguns because it will virtually eliminate problems with late finish times due to slow play. Next, switching to strike play Stableford from match play offers an option worth considering. For example, on Day 1, groups play 18 hole rounds with the same opponents. This eliminates delays with turning in scorecards and finding next opponents after nine holes. Would reduce overall time on course. Next, on Day 2, play nine holes and then play the Horserace after that. Day 3: play final 18 holes with the same opponents. Or, change opponents after nine holes if the feeling is really strong that teams want to play more teams in their flights for social reasons. This would give each team the ability to play with/against at least three, or maybe four, teams in their flights. I think the Stag dinner and the luncheons provide adequate social time to get to know your flight mates and it's not necessary to play with all the teams on the golf course. Of course, this works if we change to stroke play from match play. Final Comment: since morning shotguns will always present a problem for the golf shop due to long rounds, switching teams after nine holes will always exacerbate the problem. Assessing on-course penalties will not eliminate the problem and it will undoubtedly leave a bad taste among the players- especially guests. Need to keep in mind that enjoying the event and having fun are primary objectives. We aren't playing for tons of prize money, but players tend to think they need to take extra time over every shot to reduce their chances of hitting bad shots. Par 3 holes are the biggest problem and perhaps stroke play Stableford will reduce agonizing delays as players strive not to lose holes.	5/2/2024 4:30 PM
15	alternate shot format	5/2/2024 4:21 PM

1	Liked it better when only the flight winners were in the shoot out and then you would have a large group of fans spouse's following the action	5/14/2024 3:07 PM
2	very crowded. Need to spread it out	5/14/2024 9:10 AM
3	Good to have all participate but arduous format.	5/14/2024 7:24 AM
4	Too many teams participating. Should take top two from each flight.	5/14/2024 7:22 AM
5	Again fun - Liked 100% participation.	5/13/2024 2:26 PM
6	The horse race was a fun way to have an alternative competition. Nice to offer all teams the opportunity in spite of how well (or poorly) they played in the tournament competition.	5/9/2024 2:53 PM
7	prefer the winners of each flight playoff for an overall champion and the rest of the teams have a horserace while the 6 teams are playing off.. Also need to explain where/when a team gets a stroke in the horseplay or playoffs. It was very unclear when playing in the horserace when a team would get a stroke.	5/6/2024 4:56 PM
8	Enjoyable and give all teams a chance to win.	5/5/2024 12:18 PM
9	Flight one team strokes on Tucson one and a flight two team does not seems off	5/3/2024 10:47 AM
10	I would not have it. A big group of confusion	5/3/2024 9:18 AM
11	well done	5/3/2024 6:06 AM
12	You should earn the right to play in the horse race. Call out the team name and shot prior to a participant hitting the ball. Also, the leader should announce any shots being given on a hole before the tee play begins. The crew is getting better but too many people on the course. IT would be better to have spectators following just 2 waves and then coming together. Finally, you can all start on one hole (T9) and have players start from middle of fairway. A players hit from 175, B players from 165, C & D players from 150 yds. out. Then go alternating shot in until you have an outright winner. No shots are given to any team in this format and specatators can watch up top and this would go much quicker. Opens up the course for members to play other holes too.	5/2/2024 6:35 PM
13	partner bailed out	5/2/2024 6:19 PM
14	Nice that everyone competed.	5/2/2024 5:47 PM
15	Fun event to play in. One comment would be to number the ball on both sides. Much easier to identify this way.	5/2/2024 4:26 PM
16	Let teams know PRIOR to teeing off who has a stroke and who does not	5/2/2024 3:10 PM

1	returning to turn in cards and pick up new ones, very confusing and time consuming	5/14/2024 9:10 AM
2	Pace of play can be helped by eliminating cart path only holes.	5/14/2024 8:30 AM
3	Scramble and shamble should not take 4+ hours.	5/14/2024 7:24 AM
4	We had no problems	5/13/2024 2:26 PM
5	Teams should be warned if they are more than a hole behind but since you cannot play ready golf and putt out in match play it is difficult to enforce speed of play rules and penalize teams. But after warning them you can make them each take a tie for the hole and move them ahead one hole to catch up.	5/6/2024 4:56 PM
6	Pace of play needs to be stressed at the member pre meeting. Ask SMGA members who are not playing in event to act as rangers to help speed pace of play. Perhaps at each tee box and advise players if they are behind (give them a warning if they are not at next tee box on time they will be awarded 0 points for the next hole so skip the hole.	5/5/2024 12:18 PM
7	Only thing that took away from the event	5/3/2024 10:47 AM

9	Some groups just don't care if people wait on every hole	5/3/2024 6:10 AM
10	went well.	5/3/2024 6:06 AM
11	better than 2023, but you should do tee box off index not choice of member, guest. Ideally, flights should all be off the same tees. Why? to speed up play. Also, allow carts to go on fairways (leave signs out there), but this too moves play along and won't destroy our course for 5 p hole matches that begin mid day.	5/2/2024 6:35 PM
12	The format is slow.	5/2/2024 5:47 PM
13	Maybe a little better than last year, but not much.	5/2/2024 4:30 PM

8	Shotgun 8-9 am Chuck wagon breakfast one day Easier pin placements to speed play	5/14/2024 7:54 AM
9	Most M-Gs I have played have more activities (separate long drive, putting event, para-mutuals), and much better tee prizes (Footjoy shoes, Scotty Cameron putters, clothing allowance for hosted display).	5/14/2024 7:24 AM
10	Have most of the event upstairs where all can be together and be part of the announcements. Have better communication leading up to the event.	5/14/2024 7:22 AM
11	Maybe a closest to the pin on couple of par 3's on the practice round. How about a keg at the turn on the practice round.	5/13/2024 2:26 PM
12	Bring back the Saddle trophy for the winners!	5/10/2024 4:08 PM
13	In past years, the field was far more than 60 teams. Again, the financial magnitude of the RoadRunner Classic should be emphasized. Using all 3 nines for those 4 half-days has been done before and should be an option. And by using the Vermillion Room as well as the Agave, there's plenty of space to handle a much larger field for the Awards Dinner. The RoadRunner is the Premier Event of the year for SaddleBrooke One and should be respected as such. The Committee needs to be strong in diplomatically making some significant demands for change in play timing and field size (assuming you can sell the event adequately to attract 80 or 90 teams).	5/9/2024 2:53 PM
14	limit the number of hole in one holes to no more than one or two a day and do not require the forward tee players to have to move back in order to play the hole. Also change the match play scoring to reward the winners of the matches instead of competing on the bases of points won. If a team beats or ties all of the teams in its flight they should also win their flight or in the worst case tie for winner. There should be a playoff for the winners of each flight to have an overall single winner and at the same time do a horse race for all of the rest of the teams that are not competing in a playoff for the championship. This would permit all of the players to compete in 2 events on Saturday morning and make the winning announcement at the dinner more of a true event with a trophy (RoadRunner) for the overall winner.	5/6/2024 4:56 PM
15	Eliminate the cart path only holes to speed up play. Give out both scorecards prior to the first match and head to the next match when finished with the first, do not go back to proshop. Scorecards should be printed and reviewed prior to the start of the tournament; this year errors were discovered when the second match cards were being handed out which caused delays.	5/5/2024 12:18 PM
16	50/50 raffle for the service team. Generate great tips!	5/3/2024 10:47 AM
