JUNE 2024

NOTES FROM CATHE

Our 2025 calendar has been approved by the Pro Shop. Thank you to Reenie Romey and Maire Ryan for all their work coordinating with the Niners and the Pro Shop. The calendar will be posted to our website shortly.

We have three major tournaments and six special tournaments scheduled for 2025, with something for everyone... our majors include a gross tournament, a net tournament and a match play tournament. Our special tournaments include guest events and team events, with lots of fun. **But we need members to chair these events.** If you enjoy these tournaments and would like to have them continue, please volunteer!! Contact Judy Briney, 503-961-5313, judybriney@comcast.net. We need you!

TOURNAMENT NEWS

We had a very fun Member/Member tournament on May 6 and 7. Congratulations to all the winners, and thank you to the committee, Judy Briney, Ruth Irving and Eila Sallaberry for all their contributions!

The SaddleBrooke Women's Classic on May 21 at SaddleBrooke Ranch was a huge success with 120 players from HOA One, Mountain View/Preserve and SaddleBrooke Ranch. Thank you to Sarah Earnest, Lisa Graff and all the ladies at the Ranch for putting this tournament together.

At our May General Meeting, the Southern District and State Medallion winners were announced. Congratulations to all!!

HANDICAP POSTING

For the month of May we had 111 members play a total of 583 rounds. 549 members posted a score on the day of play for 94% same day posting compliance. Suzanne received 20 Posting Correction/Exception forms in a timely manner. Thank you to everyone who posted on time. A random drawing of the members who posted on-time resulted in Venetia Lewis winning this month's \$10 Pro Shop Credit drawing. Congratulations Venetia!

TUESDAY PLAY DAY

As Reenie mentioned in her email earlier this week, during June, July and August team games will not be scheduled to allow for players having difficulty with the heat to skip a hole or not finish, depending upon the game. This will be made clear prior to each event.
