JULY 2024

NOTES FROM CATHE

Our 2025 calendar has been posted to the website. Please add these dates to your calendar.

We still need volunteers for tournament chairs for next year. We have three major tournaments and six special tournaments scheduled for 2025, with something for everyone... our majors include a gross tournament, a net tournament and a match play tournament. Our special tournaments include guest events and team events, with lots of fun. If you enjoy these tournaments and would like to have them continue, please volunteer!! Contact Judy Briney, 503-961-5313, judybriney@comcast.net. We need you!

TOURNAMENT NEWS

We have a great sign-up for our Member-Guest Day on July 9, with 68 members and guests. Thank you to Connie Culley and Sally Drennen for organizing this tournament, Carol Bidwell and Judy Fick for their technical support, and to everyone for participating... good luck to all!

HANDICAP POSTING

Congratulations and a huge THANK YOU to the 73 members who posted 100% on time! Maggie Falconer is the winner of our drawing for a Pro Shop credit. 98 members played 589 rounds of golf. 72 of those rounds were not posted on the day of play, which is 88% compliance. This drop in compliance may be related to our snowbirds playing rounds not posted in a timely manner by other clubs, but please try to get these scores posted on time.

TUESDAY PLAY DAY

Remember, July and August games will be scheduled as individual games rather than team games to allow for players having difficulty with the heat to skip a hole or not finish, depending upon the game. This will be made clear prior to each event.
