AUGUST/SEPTEMBER 2024

SIGN UP TO SHOW UP !

For lunches and TPD, **PLEASE SIGN UP TO SHOW UP!** Our volunteers work very hard to organize lunches and play days. When members show up and have not signed up, it creates challenges and disrupts the enjoyment of the event for those involved. Please be considerate of your fellow members and plan accordingly.

Tuesday Play Day:

1. Sign up in Chelsea by 2:00 pm Wednesday prior to the desired play day. (For special tournaments, sign-up deadlines and instructions may be different and will be announced.)
2. Entries after this deadline may have the opportunity to play if space becomes available. Late requests are to be sent ONLY to: TPD.sbwga18@gmail.com. These requests will be waitlisted. Requests after Monday, 12:00 noon will not be honored.
3. Tuesday morning walk-ons will not be accommodated.

General Meeting/Luncheons:

1. Sign up in Golf Genius using the link provided in announcement emails and on the website.
2. You will receive a confirmation email. If you do not have a confirmation email, you did not sign up.
3. Members are always welcome to attend the General Meeting without participating in the luncheon.

TOURNAMENT NEWS

The LAGOS tournament registration is open. Please join our sister league for nine holes of golf, lunch and lots of camaraderie and fun! Sign-up deadline is 1:00 pm September 10. You'll find all the information along with the registration link on our website.

The AGA 2024 Arizona Senior Women's Amateur Championship is September 9-11 at the Tonto Verde Golf Club in Rio Verde. SBWGA-18 is proudly represented by ten members, once again the largest participation of any league in the state! Good luck to our participating members: Jan Bukes, Joan Chyall, Ret Convey, Cathe Kropp, Patty Mawe, Kay McCollom, Eila Sallaberry, Donna Sehn, Barb Verbus, Bonnie Westra.

HANDICAP POSTING

Thank you to the members who posted 100% on time! Of 90 rounds reviewed, only four were not in compliance, resulting in 95.6% compliance. Congratulations to Sally Drennen, winner of the drawing for the Pro Shop credit! Everyone is doing a terrific job with the Posting Correction/Exception Form, please continue this great work!
