

WWGA Reminder

WWGA July Event
July 21, 2024 @ Aguila Golf Course

For the July 21st event, your \$10 prize money is due to our Treasurer by Saturday, July 13th. We are scheduled for tee times starting at 6:32 a.m. The July event is Stableford points (net). Stableford points is a format where you get point(s) for how well you play any given hole. A net bogey is worth 1 point, net par is worth 2 points, net birdie is worth 3 points, etc. (Don't worry, we let the computer do all the math. You just write down your gross score, as always.) Total points is how winners are determined in each flight. If you have a bad hole (net double bogey or worse), it is worth 0 points, so you pick up your ball and move on. We also play this format for the Member/Guest event in November. This is good practice for you. Please make sure you are lining up your Guest for the November 10 Member/Guest event. Guests can be anyone (male, female, young, old, with GHIN handicap or not), as long as they play quick and know how to have fun! The first 30 teams that register will have a spot. After that, teams will be put on the wait list.

If you have PAID for July, then just show up and play golf. You can confirm if you are paid by checking the prepaid list attached. If you are not paid, you need to use Zelle or Venmo to send Working Women's Golf Association, using our email address (phxwwga@gmail.com), a \$10 electronic payment (preferred method of payment) or make arrangements to mail a check (\$10 made payable to WWGA) to the Treasurer. If you need to CANCEL and you are on the paid list, please send an email to the WWGA email by the evening of **Sunday, July 14th** (the last day to cancel and carry over to August). Pairings will be available by the end of the day Saturday, July 20th.

FYI: The 2024 Phoenix City Women's Team Championship is scheduled for September 28 & 29 at Cave Creek Golf Course. The format is Four Ball (2-person team, 1 best ball both days, gross & net). A copy of the information and entry form is attached (still not available on their website). Payment and entry is a very specific method, so please read the info page carefully. WWGA tries to support Phoenix City courses, as they continue to support us. Find yourself a partner and sign up. WWGA often makes up a significant portion of the field in these events. But we do our best to make sure they are fun, fun, fun!
